PHOTOGRAPH EVALUATION

To evaluate photographs on the same criteria, the Alaska Society for Technology in Education (ASTE) has developed this critique sheet to help both the judges and the photographers. This sheet should help photographers spot areas for improvement in their photographs according to the judge(s). The decision of the judge(s) remains final.

Trait	Beginning (1 points)	Developing (3 points)	Advanced (5 points)	Totals
Lighting	Image is dark or overexposed.	Emerging proper use of flash and available light. Subject is focused with emerging intentional focus blur.	Good use of flash, great use of available light, sharp focus action, intentional blur.	
Rule of Thirds	Bulls-eyed image, detracts from subject. No Rule of thirds in place.	Emerging capabilities of shapes, leading lines, curves & rule of thirds.	Clear focus on subject area of image. Focused subject is well thought out. Clear use of rule of thirds.	
Craftsmanship	Out of focus. Lack of Planning	Focus is clear. Quick shot.	Focus is Sharp, cropped properly.	
Artistry	No clarity, Bland Colors, no message or feeling conveyed.	Some clarity, some color, shapes are clear. Emerging message, but not clear.	Shows meaning, colors match, shows originality, Conveys a clear message and feeling.
